From: Senior Member, Board of Inspection
To: Manager, Puget Sound Navy Yard
Subj: PT Vessels, Lifting of -

1. It is requested that a job order be initiated in the Planning Office of the Puget Sound Navy Yard for the lifting of the following PT vessels from the corresponding IST's:

<u>PT</u>	<u>FROM</u>	<u>IST</u>
625		1084
631		"
632		"
633		"
626		1041
627		"
628		"
634		"
629		1109
630		"
635		"
635		"

2. The dates of arrival of the IST's are:

<u>IST</u>	<u>DATE</u>
1084	April 28
1041	April 29
1109	May 5

3. There are ferry and maintenance crews attached to the PT's. Prior to the arrival of the IST's in the Navy Yard, the senior officer attached to the PT's aboard will be given instructions by the Board of Inspection in regard to ferrying his ships to Seattle. Correspondence relating to the transfer of these ships states that they will be in running condition on arrival, so it is planned on having the PT's return to Seattle when waterborne.
